The Honorable Board of Supervisors  
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

**TEN-YEAR LEASE**  
**DEPARTMENT OF MENTAL HEALTH**  
**2600 REDONDO AVENUE, LONG BEACH**  
**(FOURTH DISTRICT)**  
**(3 VOTES)**

**SUBJECT**

A new ten-year lease for approximately 50,814 square feet of office space and 204 parking spaces for the Department of Mental Health.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Consider the Negative Declaration together with the fact that no comments were received during the public review process, find that the project will not have a significant effect on the environment, find that the Negative Declaration reflects the independent judgment of the County of Los Angeles to approve the Negative Declaration, and find that the project will have no adverse effect on wildlife resources, and authorize the Chief Executive Office to complete and file a Certificate of Fee Exemption for the project.
2. Approve and instruct the Mayor to sign the ten-year lease with 2600 Redondo, LP (Landlord). The lease will be effective upon Board approval and will provide the Department of Mental Health 50,814 square feet of office space and 204 parking spaces. The maximum annual total lease cost will be \$1,679,731, which consists of the annual rent in the amount of \$1,219,536, plus the maximum amortized cost of the additional tenant improvement and change order allowances in the amount of \$460,195. The lease costs are 100 percent funded by federal and State revenue.

3. Authorize the Internal Services Department, or the Landlord, at the direction of the Chief Executive Office, to acquire telephone, data, and low voltage systems at a cost not to exceed \$1,250,000. At the discretion of the Chief Executive Office, all or part of the telephone, data, and low voltage systems may be paid in lump sum or financed over a five-year term with the financed portion not to exceed \$289,992 per year, in addition to the tenant improvement allowances provided under the lease.
4. Authorize the Interim Chief Executive Officer, the Directors of Mental Health and Internal Services to implement the project.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The proposed lease will consolidate the Department of Mental Health (DMH) programs and functions into one centralized facility that will include the Service Planning Area (SPA) 8, Regional Office with administrative oversight of over 30 contracted programs and seven mental health clinics including the Long Beach Mental Health Center and the Long Beach Child and Adolescent Program. The foregoing programs provide outpatient services including individual, group, and family psychotherapy, case management, and medication services to adults and children, respectively.

Other programs include the SPA 8, Navigation Team and Housing Specialists that provide support and advocacy services to mental health clients and families, contractors, and community partners, the Specialized Foster Care Program is responsible for all child welfare services and programs in the service area, and the Investment in Mental Health Wellness Act, Senate Bill (SB) 82 Program is responsible for outreach and engagement activities to homeless clients, veterans, and older adults.

The foregoing programs currently provide mental health services from two locations within the City of Long Beach: 1975 Long Beach Boulevard and 100 Oceangate. DMH has been housed in excess of 20 years at the former facility, which no longer meets the standards of the Americans with Disabilities Act (ADA).

DMH programs are most effective when located in the same geographic area as its consumers, providers, and stakeholders. Many of DMH contracted providers and three of the Departments directly-operated programs are currently located in the Long Beach area. The proposed site is close to the I-710 freeway, giving quick access to the I-405 and I-110 freeways from which DMH contractors and directly operated providers are easily accessible. DMH/Mental Health Services Act navigators facilitate key meetings and manage a large number of local referrals that would not be possible without a proper service area location. DMH and the Chief Executive Office (CEO) in consultation with the City of Long Beach and the Fourth District, determined that the 2600 Redondo building was the most suitable location for the delivery of DMH programs/services. The consolidated and co-located DMH programs will provide a central and appropriate location, which is consistent with the County's Facility Location Policy adopted by the Board on July 24, 2012.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan Goal of Operational Effectiveness/Fiscal Sustainability (Goal 1) directs that we maximize the effectiveness of processes, structure, operations, and strong fiscal management to support timely delivery of customer-oriented and efficient public services; the Goal of Community Support and Responsiveness (Goal 2) directs that we enrich lives of Los Angeles County residents by providing enhanced services, and effectively planning and responding to economic, social, and environmental challenges; and the Goal of Integrated Services Delivery (Goal 3) directs that we maximize opportunities to measurably improve client and community outcomes and leverage

resources through the continuous integration of health, community, and public safety services. The proposed lease supports these goals with a centralized facility to support DMH services to adults, children and families. The proposed lease is in conformance with the Asset Management Principles as outlined in Attachment A.

### **FISCAL IMPACT/FINANCING**

The initial annual base rent of \$1,219,536, plus the maximum amortized cost of the additional tenant improvement and change order allowances in the amount of \$460,195, comprise the total annual lease costs for the facility. Sufficient funding for the proposed lease is included in the Fiscal Year (FY) 2014-15 Rent Expense Budget and will be charged back to DMH. DMH has sufficient funding in its FY 2014-15 operating budget to cover the projected lease costs, which are 100 percent funded by federal and State revenue. Attachment B is an overview of the lease costs.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The proposed full-service gross lease will provide DMH with 50,814 square feet of office space and 204 parking spaces included in the base rent. The lease includes the following provisions:

- The lease will be effective upon approval by the Board of Supervisors.
- The ten-year lease term and rent will commence 14 days after substantial completion and the County's acceptance of the tenant improvements (TIs) provided by the Landlord.
- The Landlord will be responsible for all operating costs associated with the County's occupancy.
- The County will have the right to cancel the original term of the lease at or any time after 60 months of the lease term and each of the extension terms at or any time after 36 months of the extended lease terms upon 180 days prior written notice.
- The annual base rent will be subject to annual adjustment based upon the Consumer Price Index (CPI) capped at 4 percent.
- The Landlord will provide a non-reimbursable base TI allowance of \$15 per square foot, and a reimbursable additional TI allowance of \$60 per square foot, and change order allowance of \$5 per square foot.
- The County will have two five-year options to renew the lease at 95 percent of fair market rental value.

The CEO, Real Estate Division staff surveyed the immediate area to determine the availability of comparable and more economical sites. Staff identified three potential facilities in the Long Beach service area. The proposed DMH use was declined at two facilities due to incompatibility with existing tenants.

Staff was unable to identify any sites in the surveyed area that could accommodate this requirement more economically. Based upon the survey, staff has established that the annual rental range for similar space is between \$21.60 and \$28.20 per square foot on a full-service gross basis, including parking. Therefore, the proposed annual rental rate of \$24.00, including parking, is in the mid-range of the full-service gross market rates for this area. Attachment C shows all County-owned and leased facilities within a five-mile radius of the subject facility, and there are no suitable County-owned or leased facilities available for the program.

The Department of Public Works inspected the facility and has found it suitable for County occupancy. Notification letters have been sent pursuant to Government Code Sections 25351 and 65402. The City of Long Beach Director of Development has provided formal approval of the proposed DMH consolidated facility as being consistent with the building's use and zoning for delivery of mental health services at this location. Additionally, the Landlord has ensured path of travel requirements have been or will be met. The proposed lease was presented to and approved by the Real Estate Management Commission on November 12, 2014.

A childcare facility is not feasible for the department at the proposed leased premises.

### **ENVIRONMENTAL DOCUMENTATION**

The CEO has made an initial study of environmental factors and concluded that the project will have no significant impact on the environment and no adverse effect on wildlife resources. A Negative Declaration has been prepared and a notice posted at the site as required by the California Environmental Quality Act (CEQA) and the California Administrative Code, Section 15072. Copies of the completed Study, the resulting Negative Declaration, and the Notice of Preparation of Negative Declaration as posted are attached. No comments to the Negative Declaration were received.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

It is the finding of the CEO that the proposed lease will allow DMH to continue to provide uninterrupted SPA 8 regional services from the subject facility. DMH concurs with this recommendation.

### **CONCLUSION**

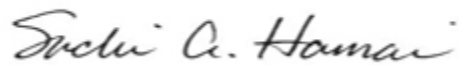

It is requested that the Executive Office, Board of Supervisors, return two originals of the executed lease and the adopted, stamped Board letter and two certified copies of the Minute Order to the CEO, Real Estate Division at 222 South Hill Street, Fourth Floor, Los Angeles, CA 90012.

## FACILITY LOCATION POLICY ANALYSIS December 19, 2014

**Proposed Lease:** (New) Ten Year Lease for the Department of Mental Health – 2600 Redondo Avenue, Long Beach – 4<sup>th</sup> District – Option to cancel after 60 months (5 years)

**A. Establish Service Function Category** – Regional and local public service function

**B. Determination of the Service Area** –The proposed lease will consolidate the Department of Mental Health (DMH) programs and functions into one centralized facility that will include the Service Planning Area (SPA) 8, Regional Office with administrative oversight of over 30 contracted programs and seven mental health clinics including the Long Beach Mental Health Center and the Long Beach Child and Adolescent Program. The foregoing programs provide outpatient services including individual, group, and family psychotherapy, case management, and medication services to adults and children, respectively.

The foregoing programs currently provide mental health services from two locations within the City of Long Beach: 1975 Long Beach Boulevard and 100 Oceangate. DMH has been housed in excess of 20 years at the former facility which no longer meets the standards of the Americans with Disabilities Act (ADA).

**C. Apply Location Selection Criteria to Service Area Data**

- Need for proximity to service area and population: DMH programs are most effective when located in the same geographic area as its consumers, providers and stakeholders.
- Need for proximity to existing County facilities: Many of DMH contracted providers and three of the Departments directly-operated programs are currently located in the Long Beach area. Other County service Departments including DCFS, DPSS, CSSD, Assessor and Public Library are within a five-mile radius to the proposed site.
- Need for proximity to Los Angeles Civic Center: N/A
- Economic Development Potential: The surrounding area is experiencing an upgrade in new development since the construction and operation of the Governor Deukmejian Courthouse and plans underway for development of the former courthouse site.
- Proximity to public transportation: The location is adequately served by Long Beach Transit services.
- Availability of affordable housing for County employees: The surrounding area provides for affordable rental opportunities.
- Use of historic buildings: N/A

- Availability and compatibility of existing buildings: There are no existing County buildings available to meet the Department's service needs.
- Compatibility with local land use plans: The City of Long Beach Director of Development has provided formal approval of the proposed DMH consolidate facility as being consistent with the building's use and zoning for delivery of mental health services at this location. The Department of Public Works inspected the facility and found it suitable for County occupancy. Notification letters have been sent pursuant to Government Code Sections 25351 and 65402.
- Estimated acquisition/construction and ongoing operational costs: The initial annual base rent of \$1,219,536, plus the maximum amortized cost of the additional tenant improvement and change order allowances in the amount of \$460,195, comprises the total annual lease costs for the facility. Sufficient funding for the proposed lease is included in the Fiscal year (FY) 2014-15 Rent Expense Budget and will be charged back to DMH. DMH as sufficient funding in its FY 2014-15 operating budget to cover the proposed lease costs, which are 100 percent funded by Federal and State revenue. Attachment B is an overview of the lease costs. In addition, telephone, data, and low voltage systems will be installed by ISD or the landlord at a cost not to exceed \$1,250,000.

#### **D. Analyze results and identify location alternatives**

Based upon the space and service needs of DMH, staff surveyed the immediate area to determine the availability of comparable and more economical sites. Staff identified three potential facilities in the Long Beach service area. The proposed DMH use was declined at two facilities due to incompatibility with existing tenants.

Based on a survey of the area, staff established the annual rent range for similar space is between \$21.60 and \$28.20 per square foot on a full-service gross basis, including parking. Therefore, the proposed annual rent of \$24.00, including parking, is in the mid-range of the full-service gross market rates for this area. The proposed lease was presented and approved by the Real Estate Management Commission on November 12, 2014.

#### **E. Determine benefits and drawbacks of each alternative based upon functional needs, service area, cost and other Location Selection Criteria**

Due to the unique needs of DMH to not only have adequate administrative space for its employees, the challenge is to find accommodating space to service clients on-site. Given the decline by two alternative sites, the 2600 Redondo Avenue site welcomed the addition of DMH to compliment other health services provided in the vicinity. DMH and the CEO in consultation with the City of Long Beach and the Fourth District, determined that the 2600 Redondo building was the most suitable location for delivery of DMH programs/services. The consolidated and co-located DMH programs will provide a central and appropriate location which is consistent with the County's Facility Location Policy adopted by the Board on July 24, 2012.

## 2. PREMISES

- 2.1. Landlord does hereby lease to Tenant, and Tenant does hereby lease from Landlord, upon the terms and conditions herein set forth, the Premises described in Section 1 and Exhibit A attached hereto.
- 2.2. Tenant shall have the right within 90 days of approval of this Lease by the Board of Supervisors of the County of Los Angeles ("Board of Supervisors") to field-measure and verify the exact footage of the Premises and/or the Building. All measurements shall be taken in accordance with the methods of measuring rentable/usable area as described in the Standard Method for Measuring Floor Area in Office Buildings, ANSI Z65.1-1996, as promulgated by the Building Owners and Management Association ("BOMA") International except that no penthouse mechanical room space shall be included in the measurement. Should this measurement be less than the square footage stated above, Tenant shall have the right to adjust such square footage and reduce the Basic Rent in Section 1 accomplished by the mutual execution of a memorandum of understanding between the Landlord and the Tenant. Landlord acknowledges the space has been marketed at the above-indicated rental amount and in the event of subsequent physical measurements, landlord agrees there will be no adjustment made to either the square footage or the Basic Rent in the event the measured square footage exceeds the amount represented by Landlord. Should Landlord and Tenant not agree with respect to the results of the measurement conducted pursuant to this Subsection 2.2 Landlord shall appoint an independent firm or person who is experienced in making such measurements whose determination with respect to which measurement is correct shall be final and binding upon the parties. Landlord and Tenant shall share equally in the fees of such firm.

## 3. COMMON AREAS

Tenant may use the following areas ("Common Areas") in common with Landlord and other tenants of the Building: the entrances, lobbies and other public areas of the Building, walkways, landscaped areas, driveways necessary for access to the Premises, parking areas and other common facilities designated by Landlord from time to time for common use of all tenants of the Building. Tenant shall comply with all reasonable, non-discriminatory rules and regulations regarding the use of the Common Area established by Landlord.

#### 4. COMMENCEMENT AND EXPIRATION DATES

##### 4.1. Term

The term of this Lease shall commence upon the Commencement Date and terminate on the Termination date. Within 30 days of determining the Commencement Date, Landlord and Tenant shall acknowledge in writing the Commencement Date by executing the Commencement Date Memorandum and Confirmation of Lease Terms attached as Exhibit C. The Commencement Date shall begin 30 days after Tenant's Acceptance of the Premises. The term "Tenant's Acceptance of the Premises" as used in this Lease shall mean the date upon which the Premises are Substantially Complete, Tenant has inspected the Premises and Tenant has accepted the Premises. The term "Substantial Completion" as used in this Lease shall mean compliance with all of the following:

- a. The shell and core of the Building are complete and in compliance with all applicable laws and codes, and all of the building systems are operational to the extent necessary to service the Premises;
- b. Landlord has sufficiently completed all the work required to be performed by Landlord in accordance with this Lease, including the installation of modular furniture systems, if so required (except minor punch list items which Landlord shall thereafter promptly complete), such that Tenant can conduct normal business operations from the Premises;
- c. Landlord has obtained a certificate of occupancy for the Building, or a temporary certificate of occupancy for that portion of the Building that includes all of the Premises, or its equivalent;
- d. Tenant has been provided with the number of parking privileges and spaces to which it is entitled under this Lease; and
- e. If Landlord is responsible for the installation of telecommunications systems, then such systems shall be completely operational.

##### 4.2. Termination Right

If the Commencement Date has not occurred within 90 days from the Projected Commencement Date, subject to Tenant Delays or force Majeure Delays as provided in Landlord's Work letter, which has been executed concurrently herewith, Tenant may thereafter, at any time before the Commencement Date occurs, terminate this Lease effective upon the giving of written notice to Landlord and the parties shall have no further obligations to one another hereunder.

##### 4.3. Early Possession

Tenant shall be entitled to possession of the Premises not less than 30 days prior to the Commencement Date for the purpose of installing Tenant's furniture, fixtures

and equipment in the Premises. Such early occupancy shall be subject to all provisions hereof but shall not advance the Termination date, and Tenant shall not pay Basic Rent for such early occupancy period.

#### 4.4. Early Termination

Tenant shall have the right to terminate this Lease at any time after the Early Termination Notice Date, as defined in Section 1, by giving Landlord not less than 180 days prior written notice executed by the Chief Executive Officer of Tenant. Tenant shall have the right to terminate this Lease at or any time after 36 months of each of the Extension Terms as defined in Section 4.5, by giving Landlord not less than 180 days prior written notice executed by the Chief Executive Officer of Tenant. In the event of Tenant's exercise of Tenant's early termination right during the original term of this Lease, Tenant shall pay Landlord an amount equal to the cost of the unamortized Additional Tenant Improvement and Change Order Allowances.

#### 4.5 Options to Extend

(a) Terms of Options. Provided that no material Default has occurred and is continuing under the Lease at the time the option is to be exercised, Tenant shall have two (2) options to renew this Lease for an additional period of sixty (60) months each (respectively, the "First Extension Term" and the "Second Extension Term", and collectively, the "Extension Term(s)").

(b) Exercise of Option. Tenant must exercise its options to extend this Lease by:

(i) giving Landlord written notice of its intention to do so (its "Notice of Intent") which shall be no later than one-hundred-eighty (180) days prior to the end of the initial Term, or the First Extension Term, as applicable, and

(ii) after Market Rental Value has been determined as provided below, and after the Board of Supervisors has approved the exercise of the option to renew, by giving written notice of its election to exercise such option. It is understood that Tenant will not exercise its option until after the Board of Supervisors has approved doing so, which will not be prior to the determination of the Market Rental Value. If the Board of Supervisors has not approved the exercise of such option prior to ninety (90) days after the expiration of the term of this Lease as then in effect, Tenant shall be entitled to holdover as provided in this Lease.

(c) Terms and Conditions of the Extension Terms. Extension Terms shall be on all the terms and conditions of this Lease, except that Basic Rent during Extension Terms shall be equal to ninety-five percent (95%) of Market Rental Value for the Premises as of the commencement of the applicable Extension Term ("Adjusted Market Rental Value") to be determined as set forth below, and Landlord shall have no additional obligation for free rent, leasehold improvements or for any other tenant inducements for the Extension Terms.

(d) Agreement on Basic Rent. Landlord and Tenant shall have ninety (90) days after Landlord receives the Notice of Intent in which to agree on the Basic Rent during the applicable Extension Term. Basic Rent during the Extension Terms shall be the Adjusted Market Rental Value of the Premises calculated as of the date Tenant gives its Notice of Intent with respect to its first and second options to extend, respectively.

(e) Market Rental Value. The term "Market Rental Value" shall be the rental rate that comparable Premises in the market in which the Premises is located would command for the same term as the Extension Term on the open market at the time Tenant provides its Notice of Intent, as determined jointly by Landlord and Tenant. For purposes hereof, the term "comparable Premises" shall mean premises in a Building similar in size and location to the Building, excluding any improvements installed by Tenant in the Building. In determining the Market Rental Value, appropriate consideration shall be given to Tenant's credit worthiness, the annual amount per rentable square foot that Landlord has accepted in current transactions between non-affiliated parties from new, non-expansion, non-renewal and non-equity tenants of comparable credit-worthiness for comparable premises for a comparable use for a comparable period of time, the annual rental rates per square foot, the standard of measurement by which the rentable square footage is measured, the ratio of rentable square feet to usable square feet, the type of escalation clause (e.g., whether increases in additional rent are determined on a net or gross basis, and if gross, whether such increases are determined according to a base year or a base dollar amount expense stop), the extent of Tenant's liability under the Lease, parking rights and obligations, signage rights, abatement provisions reflecting free rent and/or no rent during the period of construction or subsequent to the commencement date as to the space in question, brokerage commissions, if any, which would be payable by Landlord in similar transactions, length of the Lease term, size and location of the Building being leased, and other general applicable conditions of tenancy for such comparable transactions.

(f) Opinions. Landlord shall submit its opinion of Market Rental Value to Tenant within fifteen (15) days after Landlord's receipt of the Notice of Intent and Tenant shall respond thereto within ten (10) days thereafter by either (a) accepting Landlord's opinion of Market Rental Value (in which case, such Market Rental Value shall be used to determine Basic Rent during the Extension Term) or (b) submitting Tenant's opinion of Market Rental Value. If Landlord and Tenant cannot agree upon the Market Rental Value of the Premises within fifteen (15) days thereafter, then Landlord and Tenant within five (5) days shall each submit to each other their final written statement of Market Rental Value ("Final Statement"). Within ten (10) days thereafter Landlord and Tenant shall together appoint one real estate appraiser (who shall be a Member of the American Institute of Real Estate Appraisers) (or, if both Landlord and Tenant agree, a certified property manager with ten (10) years of experience) who will determine whether Landlord's or Tenant's Final Statement of Market Rental Value is the closest to the actual (in such appraiser's opinion) Market Rental Value of the Premises. If Landlord and Tenant cannot mutually agree upon an appraiser within said ten (10) day period, Tenant may apply to the Presiding Judge of the Superior Court for Los Angeles County, requesting said Judge to appoint the M.A.I. qualified appraiser. The appraiser so appointed shall promptly determine whether Landlord's or Tenant's Final Statement of Market Rental Value is the closest to the actual (in such appraisers' opinion) Market Rental Value of the Premises, and such Final Statement of Market Rental Value shall be the Market Rental Value used in determining Basic Rent during the Extension Term. The fees and expenses of the appraiser shall be borne equally by Landlord and Tenant. The

appraiser appointed or selected pursuant to this Section shall have at least ten (10) years of experience appraising commercial properties in Los Angeles County.

(g) Amendment of Lease. Immediately after the Board of Supervisors approves the exercise of any option granted pursuant to this Section 4.5, and such option is exercised, Landlord and Tenant shall execute an amendment to this Lease setting forth the new Basic Rent in effect.

5. RENT The first full calendar month's rent shall be due and payable within thirty (30) days of the Commencement Date in the total amount shown in Section 1(i) hereof. A monthly installment in the same amount, subject to the adjustments described herein below, shall be due and payable without demand on or before the first day of each calendar month succeeding the Commencement Date during the Term, except that Rent for any fractional calendar month at the commencement or end of the Term shall be prorated on a daily basis, provided that Landlord shall file a payment voucher with the Auditor of the County of Los Angeles (the "County") for the monthly Rent prior to the Commencement Date for the initial month(s) of the Term up to and including June, and annually thereafter in June for the ensuing 12 months.

(a) CPI. From and after the first (1<sup>st</sup>) anniversary of the Commencement Date, on the first day of the first full calendar month thereafter (the "Adjustment Date") and on every anniversary of the Adjustment Date thereafter, Basic Rent shall be adjusted by applying the CPI Formula set forth below.

(b) CPI Formula. The Index means the Consumer Price Index for all Urban Consumers for the Los Angeles-Anaheim-Riverside area, all items published by the United States Department of Labor, Bureau of Labor Statistics (1982-84=100). The "CPI Formula" means Basic Rent multiplied by a fraction, the numerator being the Index published for the month immediately preceding the month the adjustment is to be effective, and the denominator being the Index published for the month the Lease commenced (the "Base Index"). If the Index is changed so that the Index differs from that used as of the Commencement Date of the Lease, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the Term of this Lease, such other governmental Index or computation with which it is replaced shall be used in order to obtain substantially the same results as would be obtained if the Index had not been discontinued or revised.

(c) Illustration of Formula. The formula for determining the new rent shall be as follows:

$$\frac{\text{New Index}}{\text{Base Index}} \times \$101,628 \text{ (Basic Rent)}$$

+ Amount needed to amortize Tenant's Additional Tenant Improvement Allowance, if any  
+ Amount needed to amortize change order costs, if any  
= Monthly Basic Rent

(d) Limitations on CPI Adjustment. In no event shall the monthly Basic Rent adjustment based upon the CPI Formula result in an annual increase greater than four percent (4%) per year of the Basic Rent. In no event shall the monthly rent be adjusted by the CPI Formula to result in a lower monthly Basic Rent than was payable during the previous year of the Lease.

6. USES

The Premises are to be used only for the uses set forth in Section 1 and for no other business or purpose; however, Landlord shall not unreasonably withhold its consent to change of use.

7. HOLDOVER

If Tenant remains in possession of the Premises or any part thereof after the expiration of the term of this Lease, such occupancy shall be a tenancy which is terminable only upon 90 days written notice from Landlord or 30 days written notice from the Chief Executive Officer of Tenant at the last monthly Basic Rent payable under this Lease (as such Basic Rent may be adjusted from time to time in accordance with this Lease) plus all other charges payable under this Lease, and subject to all of the terms, covenants and conditions of this Lease. After twelve months of holdover the rent shall be increased to 110% of the last monthly Basic Rent payable under this Lease.

8. COMPLIANCE WITH LAW

Tenant shall, at Tenant's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect during the term hereof, regulating the use, occupancy or improvement of the Premises by Tenant. Landlord, not Tenant, shall, at its sole cost, at all times cause the Premises and the Building to comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect and binding upon Tenant or Landlord during the term hereof, including without limitation, Titles II and III of the Americans with Disabilities Act, except to the extent such compliance is made necessary as a result of Tenant's particular use of or alterations or improvement to the Premises.

9. DAMAGE OR DESTRUCTION

9.1. Damage

In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises may be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days, then Landlord shall promptly, at Landlord's expense, repair such damage and this Lease shall continue in full force and effect. If all or any portion of the Premises shall be made untenable by fire or other casualty, Landlord shall immediately secure the area to prevent injury to persons and /or vandalism to the improvements. Landlord shall promptly, but in any event within ten days, cause an architect or general contractor selected by Landlord to provide Landlord and Tenant with a written estimate of the amount of time required to substantially complete the repair and restoration of the Premises and make the Premises tenantable again using standard working methods. The failure to do so shall be a material Default hereunder. Basic Rent shall abate to the extent that the Premises are unusable by Tenant. Tenant waives the provisions of California Civil code Sections 1932(2) and 1933(4) with respect to any partial or total destruction of the Premises.

9.2. Tenant Termination Right

In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises will not be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days for any reason, then Tenant may terminate this Lease by giving written notice within ten days after notice from Landlord specifying such time period of repair; and this Lease shall terminate and the Basic Rent shall be abated from the date the Premises became untenable. In the event that Tenant does not elect to terminate this Lease, Landlord shall promptly commence and diligently prosecute to completion the repairs to the Building or Premises.

9.3. Damage In Last Year

Notwithstanding the foregoing provisions, if any material destruction to the Premises occurs during the last year of the Term, either Landlord or Tenant may terminate this Lease by giving notice to the other not more than 30 days after such destruction, in which case:

- a. Landlord shall have no obligation to restore the Premises,
- b. Landlord may retain all insurance proceeds relating to such destruction, and
- c. this Lease shall terminate as of the date which is 30 days after such written notice of termination.

#### 9.4. Default By Landlord

If Landlord is required to repair and restore the Premises as provided for in this Section and Landlord should fail to thereafter pursue said repair and restoration work with reasonable diligence to completion, Tenant may:

- a. Declare a default hereunder or
- b. Perform or cause to be performed the restoration work and deduct the cost thereof plus interest thereon at ten percent (10%) per annum, from the Basic Rent next due as a charge against the Landlord.

### 10. REPAIRS AND MAINTENANCE

#### 10.1. Landlord Representations

Landlord represents to Tenant that:

- a. The Premises, the Building and all Common Areas (including electrical, heating, ventilating, and air conditioning ("HVAC"), mechanical, plumbing, gas and fire/life safety systems in the Building and similar building service systems) comply with all current laws, codes, good working order and condition;
- b. The Building and Premises comply with all covenants, conditions, restrictions and underwriter's requirement; and

Landlord shall, prior to Tenant's occupancy, abate, at Landlord's sole cost and expense, all asbestos containing materials to the extent required by law and provide Tenant with an updated report from a licensed California Asbestos contractor to that effect.

#### 10.2. Landlord Obligations

- a. Landlord shall keep and maintain in good repair and working order and promptly make repairs to and perform maintenance upon and replace as needed:
  - i. the structural elements of the building, including without limitation, all permanent exterior and interior walls, floors and ceilings, roof,

Without limiting the foregoing, Tenant shall, at Tenant's sole expense, be responsible for the cost of repairing any area damaged by Tenant or Tenant's agents, employees, invitees and visitors and the repair of low voltage electronic, phone and data cabling and related equipment that is installed by or for the exclusive benefit of Tenant. All repairs and replacements shall:

- a. be made and performed by contractors or mechanics approved by Tenant, which consent shall not be unreasonably withheld or delayed,
- b. be at least equal in quality, value and utility to the original work or installation, and
- c. be in accordance with all laws.

#### 10.4. Tenant's Right To Repair

If Tenant provides written notice (or oral notice in the event of an emergency such as damage or destruction to or of any portion of the Building structure and/or the Building systems and/or anything that could cause material disruption to Tenant's business) to Landlord of an event or circumstance which requires the action of Landlord with respect to repair and/or maintenance, and Landlord fails to provide such action within a reasonable period of time, given the circumstances, after the giving of such notice, but in any event not later than five days after the giving of

such notice, then Tenant may proceed to take the required action (provided, however, that no such notice shall be required in the event of an emergency which threatens life or where there is imminent danger to property or a possibility that a failure to take immediate action could cause a material disruption in Tenant's normal and customary business activities). Tenant shall have access to the Building to the extent necessary to perform the work contemplated by this provision. If such action was required under the terms of this Lease to have been taken by Landlord and was not taken by Landlord within such period (unless such notice was not required as provided above), and Tenant took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable costs and expenses in having taken such action plus interest thereon at ten percent (10%) per annum. If not reimbursed by Landlord within ten days, Tenant shall be entitled to deduct from Basic Rent payable by Tenant under this Lease the amount set forth in its invoice for such work. The remedies provided in this Section are in addition to the remedies provided in Section 14.

## 11. SERVICES AND UTILITIES

Landlord shall furnish the following services and utilities to the Premises:

### 11.1. HVAC

Landlord shall furnish heating, ventilation and air conditioning ("HVAC"), during Normal Working Hours in amounts required for the use and occupancy of the Premises for normal office purposes to a standard comparable to other first-class buildings and not less than the standard set forth in Exhibit D attached hereto.

Landlord shall furnish package HVAC units, twenty-four (24) hours/seven (7) days a week, and 365 days per year dedicated to Tenant's Main and Intermediate Communication Rooms, that will be located outside the perimeter of said rooms.

### 11.2. After-Hours HVAC

Landlord shall also provide HVAC services during hours other than Normal Working Hours ("After Hours HVAC") subject to the following terms and conditions:

(1) Landlord shall provide the After Hours HVAC in the event Tenant gives Landlord advance notice on the previous day of its need for such weekday service, and no later than 12:00 p.m. on the last business day preceding the weekend or holiday that Tenant requires the service. In addition and notwithstanding the foregoing, Tenant may contact the Building manager or on-site Building engineer at any reasonable time to order After Hours HVAC and Landlord shall, to the extent

reasonably practicable, provide After Hours HVAC service as requested by Tenant, even if Tenant failed to give notice within the time periods specified above.

(2) Landlord will provide the After Hours HVAC at the "Actual Cost" defined as the actual costs incurred by Landlord in providing any particular service (including Landlord's reasonable estimate of related administrative cost for the provision of such service (to the extent not duplicative of costs included in Operating Costs) applicable depreciation related to the increased utilization of equipment used in providing the service and the cost of electricity) and when appropriate under this Lease, shall be applicable to After Hours HVAC and any other utility or service normally provided by Landlord to other tenants. There shall be no start-up charges and/or minimum usage for After Hours HVAC service. The foregoing direct charges shall be payable by Tenant. The rate for After Hours HVAC currently is ninety dollars (\$90) per hour per floor which Landlord and Tenant acknowledge is appropriate in accordance with the foregoing (the "After Hours HVAC Charge"), and Landlord shall be entitled to increase such charge from time to time, upon at least thirty (30) days prior written notice to Tenant, but only to reflect increases in the cost of labor, water and water treatment in connection therewith.

#### 11.3 Electricity

Landlord shall furnish to the Premises the amount of electric current provided for in the Working Drawings (if applicable) but in any event not less than seven watts of electric current (connected load) per square foot of Rentable Square Feet in the Premises, for power and lighting and electric current for HVAC, and Landlord shall provide the existing or new transformers or sub-panels on each floor of the Premises necessary for Tenant to utilize such capacity in the Premises.

#### 11.4 Elevators

Landlord shall furnish freight and passenger elevator services to the Premises during Normal Working Hours. During all other hours, Landlord shall furnish passenger elevator cab service in the elevator bank serving the Premises on an as needed basis, and, by prior arrangement with Landlord's building manager, freight elevator service.

Landlord shall make available water for normal lavatory and potable water meeting all applicable governmental standards for drinking purposes in the Premises (provided that Landlord shall have no obligation to provide filtered water).

#### 11.6 Janitorial

Landlord shall provide janitorial service on five nights per week generally consistent with that furnished in comparable office buildings in the County, but not less than the services set forth in the specifications set forth in Exhibit E attached hereto.

#### 11.7 Access

Landlord shall furnish to Tenant's employees and agents access to the Building, Premises and Common Areas on a seven day per week, 24 hour per day basis, subject to compliance with such reasonable security measures as shall from time to time be in effect for the Building.

#### 11.8 Security

Tenant is permitted to employ the services of security guards within the Building. The security guards may be County employees or contracted service providers. The primary purposes of the security guards are directing and escorting Tenant's employees, agents, contractors, visitors, customers and clients; securing the leased Premises; and as necessary, coordinating security with the Landlord for the Building's lobby. The security guards may be armed at Tenant's sole discretion. Landlord is responsible for the security of the exterior of the Building and the Building other than the leased Premises. Landlord remains primarily responsible for the security of the Building's lobby.

### 12. LANDLORD ACCESS

Tenant shall permit Landlord and its agents to enter the Premises upon prior written notice for the purpose of inspecting the Premises for any reasonable purpose. If Landlord temporarily closes any portion of the Building or Premises, Basic Rent shall be prorated based upon the percentage of the Premises or Building rendered untenable and not used by Tenant. Landlord shall have the right at any and all times to enter the Premises in the event of an emergency.

### 13. TENANT DEFAULT

#### 13.1. Default

The occurrence of any one or more of the following events (a "Default") shall constitute a material default and breach of this Lease by Tenant:

- a. the failure by Tenant to make any payment of Basic Rent or any other payment required to be made by Tenant hereunder (except to the extent an

- offset is expressly permitted hereunder), as and when due and if the failure continues for a period of ten days after written notice to Tenant;
- b. the failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of 30 days after written notice from Landlord specifying in detail the nature of the default; provided, however, if more than 30 days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences such cure within said 30-day period and thereafter diligently prosecutes such cure to completion.

#### 13.2. Termination

Tenant agrees that if a default should occur and should not be cured within the time periods set forth above, it shall be lawful for Landlord to terminate this Lease upon the giving of written notice to Tenant. In addition thereto, Landlord shall have such other rights or remedies as may be provided by law.

#### 13.3. No Effect On Indemnity

Nothing in this Article shall be deemed to affect either Landlord or Tenant's right to indemnification under any indemnification clause or clauses set forth in this Lease.

### 14. LANDLORD DEFAULT

#### 14.1. Remedies

In addition to the provisions for Landlord's default provided by Sections 9.4, , 16.2, 18 and 19.2, Landlord shall be in default in the performance of any material obligation required to be performed by Landlord under this Lease if Landlord has failed in the exercise of commercially reasonable standard to perform such obligation within Landlord's commercially reasonable control within five business days after the giving of written notice with respect thereto by Tenant (which notice shall be, if appropriate, the same notice given under Section 9.4; provided, however, that if the nature of such default is such that the same cannot reasonably be cured within such five business day period, Landlord shall not be deemed to be in default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the default by Landlord ("Landlord Default") is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within the foregoing cure period, or commenced as the case may be, then Tenant shall have the right, at its option, with or without further notice or demand of any kind to Landlord or any other person, to any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein:

- a. to remedy such default or breach and deduct the costs thereof (including but not limited to attorney' fees) plus interest at the rate of ten (10%) per annum from the installments of Basic Rent next falling due;
- b. to pursue the remedy of specific performance;
- c. to seek money damages from loss arising from Landlord's failure to discharge its obligations under this Lease or offset such damages against Basic Rent next coming due; and/or
- d. to terminate this Lease.

#### 14.2. Waiver

Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

#### 14.3. Emergency

Notwithstanding the foregoing cure period, Tenant may cure any default without notice where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition or materially and adversely affect the operation of Tenant's business in the Premises.

### 15. ASSIGNMENT AND SUBLETTING

Tenant may assign, mortgage, encumber or otherwise transfer this Lease or sublet the whole or any part of the Premises without first obtaining Landlord's prior consent, provided, however, no such assignment, subletting or other transfer shall relieve Tenant of any liability under this Lease unless Landlord has given its written consent thereto, which Landlord shall not unreasonably withhold if the assignee has a financial condition which is reasonably sufficient for it to be responsible for all future obligations under this Lease.

### 16. ALTERATIONS AND ADDITIONS

#### 16.1. Landlord Consent

Tenant shall not make any structural alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. However, Landlord's consent shall not be required for any Alteration that satisfies all of the following criteria:

- a. Complies with all Laws;
- b. Is not visible from the exterior of the Premises or Building;

- c. Will not materially affect the systems or structure of the Building; and
- d. Does not unreasonably interfere with the normal and customary business office operations of other tenants in the Building.

If Landlord fails to respond in writing within 30 days of such request, Landlord shall be deemed to approve the Alterations.

16.2. End of Term

Any Alterations not removed by Tenant shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term.

17.1. Controlling Terms

If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor, either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

17.2. Total Taking

If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

17.3. Partial Taking

If any portion, but not all, of the Premises is taken by Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within 30 days after the date that the nature and the extent of the Condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such termination date shall not be earlier than 30 days or later than 90 days after Tenant

has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of taking falls on a date before the date of termination as designated by Tenant. If Tenant does not so notify Landlord within 30 days after the Determination Date, all obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated.

17.4. Restoration

Notwithstanding the preceding paragraph, if, within thirty (30) days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to the remaining Premises so that the area of the Premises and the space available for parking, will be substantially the same after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays that are not caused by Landlord, completed it within ninety (90) days after Landlord so notifies Tenant, this Lease shall continue in effect. All obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

17.5. Award

The Award (as defined below) shall be divided between Landlord and Tenant as their respective interests may appear. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises.

17.6. Waiver of Statute

Landlord and Tenant hereby waive the provision of California Code of Civil Procedure section 1265.130 allowing Landlord or Tenant to petition the Superior Court to terminate this Lease in the event of a partial taking of the Premises.

The foregoing provisions shall not be construed to make Tenant responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Landlord,

or its officers, contractors licensees, agents, employees or invitees. Nothing in this Lease shall be construed to waive, limit or supersede any of Tenant's rights or immunities under the California Labor Code, including but not limited to a waiver pursuant to Labor Code section 3864.

Landlord shall indemnify, defend and hold Tenant harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees, guests, or visitors, or arising from any breach or default under this Lease by Landlord. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Landlord pursuant to this Lease. Neither the Tenant's failure to obtain, nor the Tenant's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Landlord, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

The full policy limits and scope of protection also shall apply to the Tenant as an additional insured, even if they exceed the Tenant's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

c. Cancellation of Insurance

Except in the case of cancellation for non-payment of premium, Tenant's insurance policies shall provide, and Certificates shall specify, that Tenant shall receive not less than thirty (30) days advance written notice by mail of any cancellation of the Required Insurance. Ten (10) days prior notice may be given to Tenant in event of cancellation for non-payment of premium.

19.4

Landlord's insurance policies, with respect to any claims related to this Lease, shall be primary with respect to all other sources of coverage available to Tenant. Any Landlord maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Tenant coverage.

b. Waiver of Subrogation

To the fullest extent permitted by law, the Landlord hereby waives its and its insurer(s) rights of recovery against Tenant under all required insurance policies for any loss arising from or related to this Lease. The Landlord shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

c. Deductibles and Self-Insured Retentions (SIRs)

Landlord's policies shall not obligate the Tenant to pay any portion of any Landlord deductible or SIR. The Tenant retains the right to require Landlord to reduce or eliminate policy deductibles and SIRs as respects the Tenant, or to provide a bond guaranteeing Landlord's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

d. Claims Made Coverage

Landlord understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Lease expiration, termination or cancellation.

e. Application of Excess Liability Coverage

Landlord may use a combination of primary and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

Tenant agrees to cooperate with the valet parking system so instituted and to allow the use of tandem parking or whatever reasonable parking system to be implemented by the valet parking personnel.

## 20.3. Remedies

Landlord acknowledges that it is a material term of this Lease that Tenant receive all of the Parking Spaces to which it is entitled under this Lease for the entire Term of this Lease and that it would be impracticable and extremely difficult to fix the actual damages for a breach of such provisions. It is therefore agreed that if, for any reason whatsoever, a material number of the Parking Spaces required above are not available to Tenant, (in addition to the rights given to Tenant under Section 14 and Sections 9 and 17 in the event of casualty or condemnation) Tenant may:

Landlord understands that no material terms of this Lease may be altered or deleted, nor may any new material terms be added to this Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal board action. No County officer, employee, agent or independent contractor has any authority to alter, add or delete the material terms of this Lease and Landlord may not rely upon any representations to the contrary. This limitation of authority applies to all material terms of the Lease including, without limitation, any monetary ceiling established for Tenant Improvements or other project costs of Landlord which are subject to reimbursement by County. County shall not reimburse Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the Chief Executive Officer of the County or its delegee (the "Chief Executive Officer") may take any administrative act on behalf of Tenant hereunder which does not have the effect of increasing Basic Rent or other financial obligations of Tenant under this Lease, including without limitation, granting any approvals, terminating this Lease in the manner provided

herein by an Early Termination Notice or otherwise, signing estoppel certificates, signing the Commencement Date memorandum and Confirmation of Lease Terms or subordinating this Lease, Each individual executing this Lease on behalf of Landlord represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Landlord, and that this Lease is binding upon Landlord in accordance with its terms.

Should Landlord require additional or replacement personnel after the effective date of this Lease, Landlord shall give consideration for any such employment, openings to participants in the County Department of Public Social Services' Greater Avenues for Independence ("GAIN") Program who meet Landlord's minimum qualifications for the open position. The County will refer GAIN participants by job category to Landlord.

31.2. Solicitation of Consideration

It is improper for any County officer employee or agent to solicit consideration in any form from a landlord with the implication, suggestion or statement that the landlord's provision of the consideration may secure more favorable treatment for the landlord in the award of the Lease or that landlord's failure to provide such consideration may negatively affect the County's consideration of the landlord's offer to lease. A landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County Manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation may result in the Landlord's submission being eliminated from consideration.

31.3. Landlord Assignment

- a. Landlord may assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof (including the right to receive rental payments but excluding its duties and obligations hereunder), and Landlord may execute any and all instruments providing for the payment of Basic Rent directly to any assignee or transferee, but only if the conditions set forth in the Section are met.

- b. Any document or agreement purporting to assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof, is hereinafter referred to as a "Security Agreement." - c. Each assignee or transferee under the Security Agreement shall certify and agree in writing that such assignee or transferee has read and is familiar with the requirements of Sections 5950-5955 of California Government code, which prohibits the offer or sale of any security constituting a fractional interest in this Lease or any portion thereof, without the prior written consent of the County. However, Landlord may not encumber the Property through any type of bond financing vehicle, including but not limited to certificate of participation financing.
- d. Violation by Landlord of the provisions of Section 5951 of the California Government Code will constitute a material breach of this Lease, upon which the County may impose damages in an amount equal to the greater of \$500,000 or 10% of the aggregate principal portion of all rental payments payable by the county during the entire Term of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and nature of the violation it would be impracticable and extremely difficult to fix actual damages. In addition, the County may exercise or pursue any other right or remedy it may have under this Lease or applicable law.
- e. Landlord shall give the County notice and a copy of each Security Agreement and any other instrument relating thereto (including, but not limited to, instruments providing for the payment of Basic Tent directly to an assignee or transferee) at least two weeks prior to the effective date thereof.
- f. Landlord shall not furnish any information concerning County or the subject matter of this Lease (including, but not limited to, offering memoranda, financial statements, economic and demographic information, and legal opinions rendered by the office of counsel for the County) to any person or entity, except with County's prior written consent. Landlord shall indemnify, defend and hold County and its officers, agents and employees harmless from and against all claims and liability alleged to arise from the inaccuracy or incompleteness of any information furnished by Landlord in violation of this Section.
- g. The provisions of this Section shall be binding upon and applicable to the parties hereto and their respective successors and assigns. Whenever in this Section Landlord is referred to, such reference shall be deemed to include Landlord's successors or assigns, and all covenants and agreements by or on behalf of Landlord herein shall bind and apply to Landlord's successors and assigns whether so expressed or not.

Improvements

2. CONSTRUCTION OF THE BUILDING

2.1. Base Building Improvements

Landlord has constructed or shall construct the base Building improvements as a part of the Building described on Addendum A hereto (the "Base Building Improvements"). To the extent that the Base Building Improvements must be changed or added to in order to accommodate the special needs of Tenant in the Premises, such changes or additions shall be considered Tenant Improvements (as defined below) only to the extent such changes or additions are specifically described in Addendum B hereto.

2.2. Additional Costs Not Tenant Improvement Costs

- a. In the event that the Building as initially constructed does not comply with current life-fire safety codes, disabled access codes (including, without limitation, the ADA), and/or earthquake safety codes, and Landlord incurs increased design or construction costs that it would not have incurred had the Building been in compliance with such codes, such costs shall not be included

in the calculation of Tenant Improvement Costs as defined below and Tenant shall have no financial responsibility for such costs.

- b. Any work that Landlord must undertake to cause the Premises to comply with the access requirements of the ADA or make existing building systems, including, but not limited to, electrical service and HVAC equipment, fully operational shall be at Landlord's sole cost and expense. Tenant Improvement Costs shall not include any costs associated with (i) asbestos abatement or compliance with the Hazardous Materials provision of the Lease, including all expenses associated with curing any "Sick Building Syndromes", (ii) fire sprinkler system installation or upgrade, (iii) conversion of air conditioning systems to eliminate use of CFC refrigerants that are harmful to the atmosphere, (iv) utility costs incurred during construction, (v) costs incurred in order to cause the Premises to comply with any mechanical or electrical requirements set forth in the Lease, or (v) supervision or overhead costs of Landlord.
- c. Landlord shall be solely responsible for all costs and expenses necessary to increase permitted structural floor loading in order to accommodate Tenant's libraries, file rooms, unusual live loads and other such uses up to fifty (50) pounds live load per square foot and any excess live load shall be Tenant's responsibility.

### 2.3. Base Building Plans

Landlord has delivered to Tenant "as built" plans and specifications for the Building in an AutoCAD 2000 format. In the event Tenant incurs additional costs because such plans and specifications are incomplete or inaccurate, such increased costs will be reimbursed to Tenant and any delay caused thereby shall not be a Tenant Delay, as defined below.

## 3. SELECTION OF ARCHITECT AND ENGINEER

Landlord shall promptly solicit at least three (3) proposals from qualified licensed architects ("Architect") and engineers ("Engineer") familiar with all applicable laws and building requirements detailing a scope of work sufficient to complete the Working Drawings, as defined below. The Architect and the Engineer shall be selected by Landlord subject to Tenant's consent, which consent shall not be unreasonably withheld, and which consent (or refusal to consent for reasonable reasons) shall be granted within five (5) business days after Landlord has submitted the name of the Architect and the Engineer to Tenant together with detailed proposals outlining the cost for design/engineering services. This procedure shall be repeated until the Architect and the Engineer is/are finally approved by Tenant and written consent has been delivered to and received by Landlord.

#### 4. SELECTION OF CONTRACTOR

The Final Plans, as defined below, and a proposed construction contract approved by Tenant, shall be submitted to contractors, selected by Landlord and approved by Tenant, sufficient in number so that a minimum of three (3) bids are received. Each approved contractor shall be requested to submit a sealed fixed price contract bid price (on such contract form as Landlord shall designate) to construct the Tenant Improvements designated on the Final Plans. Landlord and Tenant shall jointly open and review the bids. Landlord and Tenant, after adjustments for inconsistent assumptions, shall select the most qualified bidder offering the lowest price and such contractor ("Contractor") shall enter into a construction contract ("Construction Contract") with Landlord consistent with the terms of the bid to construct the Tenant Improvements.

#### 5. PREPARATION OF PLANS AND SPECIFICATIONS AND CONSTRUCTION SCHEDULE

##### 5.1. Preparation of Space Plan

Concurrently with the execution of this Lease, Tenant shall submit to Landlord a space plan and specifications for the Premises showing all demising walls, corridors, entrances, exits, doors, interior partitions, and the locations of all offices, conference rooms, computer rooms, mini-service kitchens, and the reception area, library, and file room (the "Space Plan").

##### 5.2. Preparation and Approval of Working Drawings

Within ten (10) days of the date the Space Plan is submitted to Landlord (the "Plan Submission Date"), Landlord shall instruct the Architect to commence preparation of Working Drawings (the "Working Drawings"), which shall be compatible with the design, construction and equipment of the Building, comply with all applicable laws, be capable of physical measurement and construction, contain all such information as may be required for the construction of the Tenant Improvements and the preparation of the Engineering Drawings (as defined below), and contain all partition locations, plumbing locations, air conditioning system and duct work, special air conditioning requirements, reflected ceiling plans, office equipment locations, and special security systems. The Working Drawings may be submitted in one or more stages and at one or more times. Landlord shall provide Tenant the Working Drawings, or such portion as has from time to time been submitted, for review. Landlord shall be solely responsible for insuring that the Working Drawings fully comply with all applicable building codes and are free from errors or omissions on the part of the Architect.

##### 5.3. Preparation and Approval of Engineering Drawings

Landlord shall cause the Architect to coordinate all engineering drawings prepared by the Engineer, showing complete mechanical, electrical, plumbing, and HVAC plans ("Engineering Drawings") to be integrated into the Working Drawings. The

Engineering Drawings may be submitted in one or more stages and at one or more times for Tenant's review.

5.4. Integration of Working Drawings and Engineering Drawings into Final Plans

The Final Plans shall be suitable for plan check review and permitting by local agencies having jurisdiction, for the layout, improvement and finish of the Premises consistent with the design and construction of the Base Building Improvements, including electrical and mechanical drawings, capacity reports, dimensioned partition plans, floor and wall finish plans, reflected ceiling plans, power, telephone communications and data plans, life safety devices, construction detail sheets including millwork detail plans showing the location of partitions, light fixtures, electrical outlets, telephone outlets, sprinklers, doors, equipment specifications (including weight specifications and cooling requirements) and power requirements (including voltage, amps, phase, and special plugs and connections), wall finishes, floor coverings, millwork and other Tenant Improvements.

5.5. Approval of Plans by Tenant

Approval by Tenant shall not be deemed to be a representation by Tenant as to the adequacy or correctness of the design of the Tenant Improvements.

5.6. Schedule

Within thirty (30) days after the Plan Submission Date, Landlord shall submit to Tenant a detailed construction schedule, subject to approval by Tenant which approval shall not be unreasonably withheld, setting forth the dates specific completion of certain project benchmarks including, but not limited to, completion of Working Drawings, completion of Engineering Drawings, submission of plans to local jurisdiction for review, issuance of building permit, submission of plans to contractors for bidding, award of construction contract, construction commencement, construction completion, Projected Commencement Date and other similar dates. As the construction continues, Landlord shall amend the schedule from time to time to reflect any changes to the projected dates.

6.1. Construction Budget

Within ten (10) business days after the Plan Submission Date, Landlord shall submit to Tenant a preliminary budget (the "Preliminary Budget") in a format similar to Addendum C attached hereto. Such budget shall be revised into final

form within ten (10) business days from of the date the Contractor is selected and will be referred to herein as the "Final Construction Budget". Tenant shall have five business (5) days from the date of receipt of the Final Construction Budget to approve or disapprove the Final Construction Budget. Construction of the Tenant Improvements shall not begin until such time as Tenant indicates its approval or disapproval of the Final Construction Budget or the five business (5) day period expires without any response from Tenant. In the event Tenant disapproves the Final Construction Budget due to matters related to cost and the Final Construction Budget is ten percent (10%) or more higher in cost than was projected in the Preliminary Construction Budget, then any delay caused by the necessity to rebid or redesign the Tenant Improvements shall not be considered a Tenant Delay. Landlord shall review the Space Plan, Working Drawings, Engineering Drawings and Final Plans at its sole cost and expense. No fee for profit, overhead or general conditions in connection with the construction of the Tenant Improvements shall be included in the Final Construction Budget unless approved by Tenant.

6.2. Additional Tenant Improvement Allowance

Landlord shall be solely responsible for any delay or increased cost in completing the Tenant Improvements except for delays or costs arising from Tenant Delays as defined below. It is anticipated that the Tenant Improvement Costs will exceed the Tenant Improvement Allowance so that Tenant may authorize Landlord to pay the overage in an amount not exceeding the Additional Tenant Improvement Allowance. The amount of the Additional Tenant Improvement Allowance shall be paid to Landlord as provided herein.

6.3. Method of Payment

That portion of the Additional Tenant Improvement Allowance used to pay for the Tenant Improvement Costs may, at Tenant's election be paid to Landlord:

Upon approval of the statement by Tenant, payments by either party pursuant to the Lease and this Landlord's Work Letter shall be adjusted as appropriate, based upon such statement. Tenant shall have the right to audit these costs for a period of twenty-four (24) months from the date of acceptance by Tenant of the Premises. In the event the audit shows that Tenant is entitled to a reduction in payments to the Landlord under this Landlord's Work Letter, Tenant shall provide Landlord with a copy of the audit summary and Landlord shall pay Tenant the amount of any over-payment made by Tenant within thirty (30) days and future payments shall be adjusted as appropriate based upon the audit results.

11. EXCLUSIONS

The Tenant Improvement cost shall not include any costs incurred for asbestos abatement, fire sprinkler system, or conversion of air conditioning systems to eliminate use of CFC refrigerants that are harmful to the atmosphere. All work for required asbestos abatement, fire sprinkler system, or air conditioning system conversion shall be performed at the sole cost and expense of Landlord.

12. TELEPHONE/COMPUTER ROOM AND EQUIPMENT

Landlord shall complete the telephone equipment room(s) including permanent power and HVAC, in compliance with the Space Plan and specifications provided by Tenant, at least thirty (30) days prior to the Projected Commencement Date. During this thirty (30) day period, the Landlord shall be responsible for any telephone/data equipment delivered to the site for programming prior to the Projected Commencement Date.

13. DELAY

13.1. Tenant Delays and Force Majeure Delays

Except as set forth herein, no delay in the completion of construction of the Tenant Improvements shall be considered in the determination of the Commencement Date of the Lease and, except as set forth herein or in the Lease, under no circumstance shall Tenant be charged with any delay whatsoever as a result of delay in the construction of Tenant Improvements. Subject to the provisions of Section 13.2, the Projected Commencement Date set forth in the Lease shall be extended one (1) day for each day that:

- (i) Tenant fails or refuses to give authorizations or approvals within the time periods required herein but only to the extent such delays delay the commencement or completion of construction of the Tenant Improvements (referred to herein as "Tenant Delay(s)"); or
- (ii) Substantial Completion of the Tenant Improvements is delayed by lightning, earthquake, fire, storm, tornado, flood, washout, explosion, strike, lockout, labor disturbance, civil disturbance, riot, war, act of a public enemy, sabotage or other similar causes beyond the reasonable control of Landlord (referred to herein as "Force Majeure Delay(s)").

### 13.2. Limitations

#### a. Notice

No Tenant Delay or Force Majeure Delay shall be deemed to have occurred unless Landlord has provided written notice, within forty eight (48) hours of the event giving rise to such claim, in compliance with the Lease, to Tenant specifying that a delay is claimed to have occurred because of actions, inaction or circumstances specified in the notice in reasonable detail. If such actions, inaction or circumstances qualify as a Tenant Delay or Force Majeure Delay, then a Tenant Delay or Force Majeure Delay, as applicable, shall be deemed to have occurred only commencing as of the date Tenant received such notice from Landlord.

#### b. Mitigation

Tenant Delays and Force Majeure Delays shall delay the Projected Commencement Date only in the event that Substantial Completion of the Tenant Improvements is delayed, despite Landlord's commercially reasonable efforts to adapt and compensate for such delays, which efforts Landlord shall be obligated to make (provided such additional cost incurred by Landlord due to such effort does not exceed \$1,000 on a cumulative basis, unless Tenant agrees to pay to such excess).

#### c. Concurrent Delays

Tenant Delays and Force Majeure Delays shall be recognized hereunder only to the extent the same are not concurrent with any other Tenant Delay or Force Majeure Delay which is effective hereunder. For example, if there are ten (10) days of Tenant Delays and four (4) days of Force Majeure Delays which occur during the same ten (10) day period of such Tenant Delays, then

the Projected Commencement Date would be extended by only ten (10) days; on the other hand, if such Tenant Delays and Force Majeure Delays did not occur during the same period, the Projected Commencement Date would be extended by fourteen (14) days.

d. Change Orders

Landlord may not claim that a Change Order requested by Tenant was the cause of a delay in the construction of the Tenant Improvements unless the anticipated delay is specified in writing in the Change Order authorization.

14. TENANT REMEDIES

If Landlord fails to obtain the building permit to construct the Tenant Improvements within a reasonable time, taking all factors into consideration, or if Tenant Improvements have not been completed within ninety (90) days from the Projected Commencement Date, subject to Tenant Delays and Force Majeure Delays, Tenant may, at its option:

- a. Cancel the Lease upon thirty (30) days written notice to Landlord; or
- b. Upon thirty (30) days written notice to Landlord, assume the responsibility for completing the Tenant Improvements itself. If Tenant elects to complete tenant improvements itself, then:
  - i. Tenant, its officers, employees, agents, contractors and assignees, shall have free access to the Premises and the Building at all reasonable times for the purpose of constructing the Tenant Improvements and for any other purposes reasonably related thereto; and
  - ii. Rent shall be reduced by Tenant's total expense in constructing the Tenant Improvements, including any financing charges for capital and a reasonable amount for its administrative costs, and including interest at the rate of six percent (6%) (collectively "Tenant's Total Expense"). The rent reduction schedule shall be as mutually agreed upon between the parties or, if no such agreement is made, Tenant's Total Expense shall be fully amortized in equal monthly amounts over five (5) years and deducted from the rent payable under the Lease.

Any default by Landlord under the terms of this Landlord's Work Letter shall constitute a default under the Lease and shall entitle Tenant to exercise all remedies set forth in the Lease.

15.1. Tenant Representative

Tenant has designated Tenant's Work Letter Representative as its sole representative with respect to the matters set forth in this Landlord's Work Letter who, until further notice to Landlord, shall have the full authority and responsibility
